A modern interior scene featuring a brick wall, a decorative clock, a wooden chair, and a small table. The brick wall is the central focus, with a large, ornate, black metal clock mounted on it. The clock face is white with Roman numerals and the text "Pendulum" and "MADE IN SWITZERLAND". To the right, a wooden chair with a dark grey cushion and a grey blanket draped over it is visible. In front of the chair is a small, round, black table with three wooden legs. The floor is dark wood. The lighting is warm, with spotlights on the wall and a lamp on the left. An orange geometric shape is overlaid on the left side of the image, containing the text "Lake KAPILAR" and "Lacquer Doors".
